Body Look what happened at the capital

Author

Sent 2021-01-17 07:16:59 UTC

Body It would be decided by the counties/states vs city states like NYC

Body war sucks, but it's better than communism. The way I see it is it's either a war or we need up like Venezuela. Don't wanna be one of those countries that fights the commies 40 years after they took over. Wanna fight them now
